About Us

Assertive Professionals is a Federal Consulting firm that creates a landscape for the cleared professionals to engage with the Department of Defense and the Intelligence Communities throughout the globe, and also provides support to the veterans considering their transition. Headquartered in Tysons, VA, Assertive Professionals has presences in Missouri, North Carolina, and Pennsylvania, as well as in Iraq, Afghanistan, and Africa. Founded in 2015, Assertive Professionals is an EDWOSB and SDVOSB organization with 30+ years of collective DoD experience between its two managing partners. Armed with decades of expertise and a passion in the field, it thrives through an employee centric culture of development, communication, and transparency.
